

Building Safety Certificate

Ref No: 1928/21

This is to certify that I have visited and visually inspected Wisdom E.M. UP School on 11/02/2021 located at D.No: 72/251 with Assessment number: 1013045556 in Survey No. 463/B-12 with an extent of total land in Acres 2.91 (11780 Square Meters) in Dhandu, ALAMKHANPALLI , Kadapa, Kadapa Municipal Corporation , Y.S.R. Kadapa Dist, Andhra Pradesh.

The school building is well ventilated and structurally sound. The school building is provided with separate classrooms for each class with well ventilation, sufficient lighting. The classrooms are spacious. There is enough open area for the children to play and it is in good condition.

The school building consists of ground floor and first floor(G+1) and have complied with National Building code 2005,2016 and as amended.

The Building/Premises is safe and fit for running the school in accordance with the rules.

The building can be safely occupied for running school activities up to 31/05/2036.

Place: Kadapa, Andhra Pradesh
