

DASARA

Good over Evil

*The Dasara event in school is a joyful celebration that showcases the rich traditions and cultural values of India. Students participate in activities like music, dance, skits, and the display of **Golu** or **Ramlila**, highlighting the victory of good over evil. The event brings the whole school together, encourages creativity, and helps students understand the importance of devotion, courage, and righteousness. It creates a festive atmosphere filled with learning and happiness.*

Dasara Event in Wisdom School

For our Dasara celebration, we made beautiful elephant art to represent the royal Jambu Savari tradition of Mysore. The elephant symbolizes strength, wisdom, and victory of good over evil. Students decorated their elephants with bright colours, glitter, and festive patterns. This craft activity helped us learn about the cultural importance of elephants in the Dasara procession. Our classroom now looks colourful and joyful with all the creative elephant crafts made by the children.
