

# Sankranti

## Festival of Cultural Heritage

**Sankranti** is a popular harvest festival celebrated across India, especially in South India. It marks the beginning of the **harvest season** and the end of winter. People celebrate by flying **kites**, making **rangoli** (muggulu), and cooking special dishes like **pongal**. Families offer prayers to the **Sun God** for good health and prosperity. Schools celebrate Sankranti with **cultural programs**, traditional games, and art activities.

### Celebration of Sankranti Festival in Wisdom School

The **Sankranti Food Festival** is a fun way to celebrate the harvest season. Students can enjoy **traditional dishes** like **pongal**, **sesame sweets**, **sugarcane juice**, and **more**. The school will **provide all the facilities**, so everyone can taste and enjoy safely. It's a chance to **learn about traditional foods** and **share happiness with friends**. The festival promotes **togetherness, culture, and the joy of food**.
