

Teacher's Day

Teachers' Day is celebrated to honour and thank teachers for their guidance and support. It is observed on **5th September** in India, the birthday of **Dr. Sarvepalli Radhakrishnan**. Students celebrate by **performing cultural programs, giving cards, and expressing gratitude**. It is a day to **appreciate the hard work and dedication of teachers**. Teachers' Day promotes **respect, learning, and the bond between teachers and students**.

Teachers Day Celebrations in Wisdom School

On **Teachers' Day**, schools can organize **fun games and activities for teachers**. These games make the celebration **lively, enjoyable, and memorable**. Teachers get a chance to **relax, laugh, and bond** with their colleagues and students. Activities can include **team games, quizzes, or friendly competitions**.
