

# Christmas

## Joy, Peace, Harmony, Share & Care

*Christmas in school is celebrated with joy, warmth, and togetherness. Students take part in activities like decorating the Christmas tree, singing carols, and performing skits about the birth of Jesus. The event spreads the message of love, kindness, and sharing. Festive decorations, music, and celebrations create a cheerful atmosphere for everyone to enjoy.*

## Christmas Celebrations in Wisdom School

*The school came alive with joy as the Christmas crib and decorations filled every corner with color and warmth. Students worked together to beautifully decorate the school, making the Christmas crib the heart of our celebration. The bright lights, stars, and nativity scene created a festive atmosphere that brought smiles to everyone. Our Christmas crib and school decorations reminded us of the spirit of love, peace, and togetherness. The school looked magical with its Christmas decorations, spreading holiday cheer to all who entered.*
